Permission to share information – Kindergarten 2020

Dear Parents/Carers,

Starting school is a significant time for children and their families. To make this a positive and successful process, we would like to meet with as many local early childhood educators to discuss children enrolling at our school in 2020.

We feel that the sharing of information about children is beneficial in ensuring a smoother entry to school.

Please complete the form below and return to the school office with your enrolment to indicate that you agree or otherwise to an exchange of information about your child.

Thank you,

Sally Robinson
Assistant Principal
