

# Make Your Own Soft Plastics Box

This is great to use in the kitchen at home.  
Reuse an old cardboard box.  
Decorate it with pictures and messages.

500mm  
(50cm)

400mm  
(40cm)

# Cardboard dimensions

## Step 1

Flatten out your  
cardboard box

## Step 2

Mark out the  
shape of the new  
box

## Step 3

Cut out the new  
box

## Step 4

Make folds in the new box

## Step 5

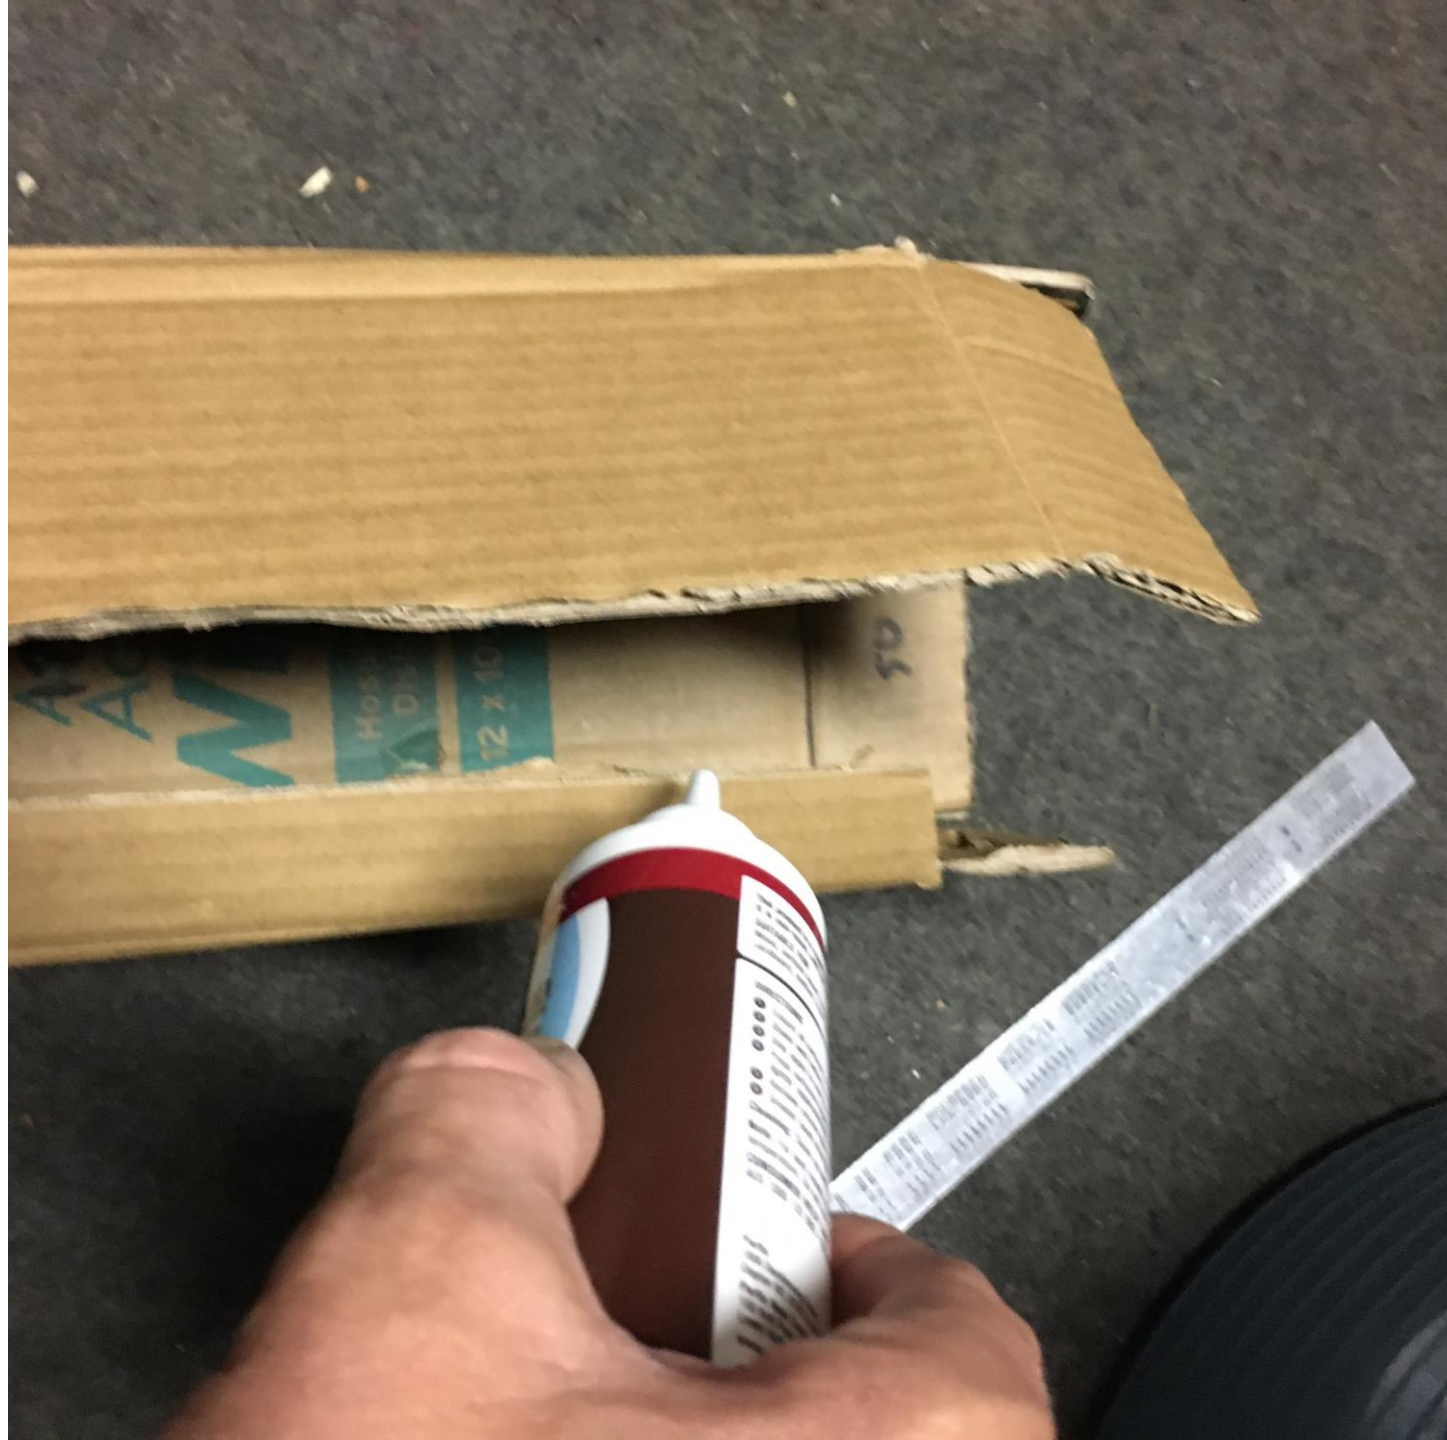

Bend the  
cardboard

## Step 6

Glue along  
the fold

## Step 7

Glue the ends together.

Now you are ready to decorate it.

## Step 8

Line your box  
with an empty  
bread bag

## Step 9

Stuff  
unwanted soft  
plastics into  
the box

## Step 10

When full pull  
out the bread  
bag

## Step 11

Tie up your bread bag and take it to the supermarket to be recycled

## Step 12

Reline with an empty bread bag and start again
